**WORKSHOP PROPOSAL**

Workshops are a successful way to connect, network and offer information /resources to wellness / health care professionals, dog enthusiasts, families and the community. We enjoy being able to offer educational events, in an affordable and timely way.

It is an excellent opportunity to share your wisdom and experience with others. Example: alternative approaches for well-being, nutrition, TTouch, Reiki, Massage, grooming, behavior, training and pet-assisted therapy ...

DTAWS is a climate controlled pleasant, handicapped accessible, 2400 square foot sanctuary that comfortably accommodates up to 40. If you like presenting to smaller groups, this may be a good choice for you.

Workshops are usually held bi-monthly on Saturday afternoons, 1:00 – 5:00, and occasional weekend events, with the exception of Holidays.
